

Cannabis Related Questionnaire

Dear applicant, as you have declared that your revenues/source of wealth is derived directly from production, sale or distribution of cannabis, you are required to fill up the following questionnaire for our review of your credit application.

Application Reference Number (URN#)	
1) Could you share the name of the company and details on how it is involved in Cannabis?	
2) Where is the company incorporated and what license does it have to deal with Cannabis?	

3) What is your involvement in the company and how do you derive revenue out of the company?

4) Is there any public information or supporting documents you can provide that give us more details on the company?
