

Cessation of issuance of SGD-denominated cheque books to corporate entities

In line with the Monetary Authority of Singapore's (MAS) announcement regarding the elimination of corporate cheque book issuance by end-2025, we wish to inform you that Citibank will cease issuing SGD-denominated cheque books to corporate entities effective 1 January 2026. Please note that the processing of existing corporate SGD-denominated cheques will continue until further notice, and the issuance of non-SGD denominated corporate cheque books will remain unaffected.

Corporate customers may utilize alternative payment methods such as PayNow/FAST, Electronic Deferred Payment (EDP/EDP+), General Interbank Recurring Order (GIRO), and MAS Electronic Payment System (MEPS).
