

Pay with Points via Merchants – Participating Merchants

1) AXS m-Station

AXS m-Station

Enrollment flow:

1 On the AXS m-Station, customer goes to Settings under the main navigation

2 Customer selects on Manage Payment Modes

3 Customer selects Pay with Credit Card Points

4 Customer selects Citi Pay with Points

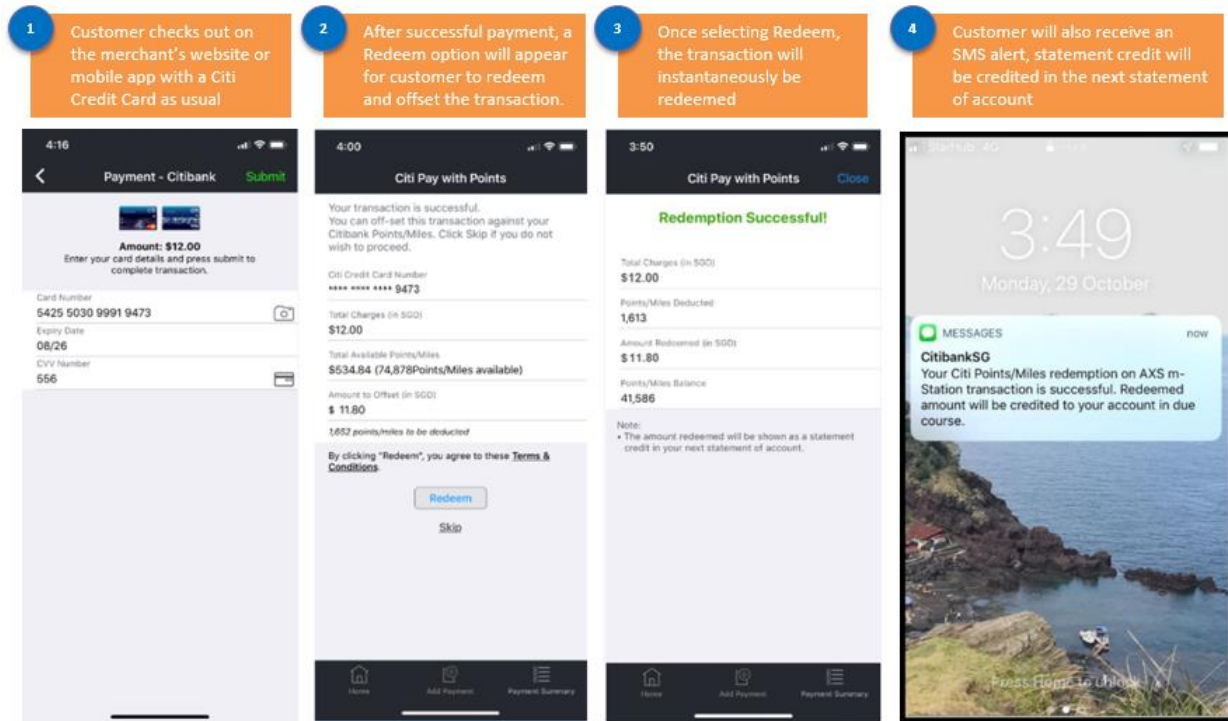

5 Customer enters last 4 digits of the eligible card number, full mobile number registered with Citi and selects Enable

6 Customer receives OTP SMS, enters OTP on AXS m-Station and selects Submit for the one-time enrollment

7 Customer is successfully enrolled with the eligible card

8 Customer will also receive an SMS alert of the enrollment

Redemption flow:

Limitations:

- 1) Only one eligible Citi Credit Card is allowed to be enrolled on AXS m-Station. Customer can only maintain one eligible Citi Credit Card for Points/Miles redemption on transactions made at AXS m-Station. If customer would like to use another card, customer will need to delete the existing card registered on AXS m-Station and do a one-time enrollment for the new card to allow Points/Miles redemption on the new card at AXS m-Station
- 2) Redemption is only available for successful transactions made on AXS m-Station using a Citi credit card. Minimum amount to redeem is \$1.
- 3) Credit card payments and redemption is not available for any credit card bills and loan repayment bills.
