

1. Interest

1.1 The interest rate(s) on sums payable to the Bank including additional interest may be varied by the Bank from time to time at its discretion after giving reasonable notice to the Borrower and shall be payable both before and after judgement. Such interest is to be calculated and compounded in accordance with the usual practice of the Bank from time to time. The Borrower agrees that the Bank's right to compound such interest shall continue notwithstanding that the relationship of banker and customer may have ceased by a demand or otherwise until the date of payment (both before and after judgement).

1.2 Where payment of the Credit Facilities or any part thereof is overdue, additional interest is payable on such amount that is overdue at the rate of 5% per annum above the Bank's Prime lending rate or at such other rate(s) as the Bank may determine from time to time, such interest to commence from such date as the Bank shall notify the Borrower. In addition, a late fee of S\$80 or such other amount which the bank will notify the Borrower of as the Bank may charge per month will be levied on each overdue payment per credit facility account/loan account.

1.3 Where the Credit Facilities are granted on a term loan basis, interest will be calculated on the daily balances on or in respect of the principal sum outstanding unless otherwise stated or determined by the Bank from time to time.

1.4 Interest on the Bridging Loan will be charged on daily balances and payable on such date as the Bank may specify and communicate to the Borrower.

2. Adjustment

2.1 The Bank may at its discretion agree to credit the Borrower with an Adjustment to off-set the interest payable to the Bank under the Credit Facilities (or any one or more of them) which are granted on a term loan basis PROVIDED ALWAYS that no Adjustment shall be credited where any of the Borrower is a US Person or acts on behalf of any US Person, or where any of the Borrower's address is in the United States of America.

2.2 In the event that the Bank agrees to credit the Borrower with the Adjustment, the following terms shall apply:-

- (a) the Adjustment shall be applied directly to off-set the amount of interest payable on such Credit Facilities as the Bank shall from time to time specify ("the Designated Facility") and shall not be available for drawing by the Borrower;
- (b) the Adjustment shall be calculated on daily rests and shall not be compounded monthly or yearly;
- (c) if the Adjustment for any month exceeds the amount of interest payable that month in respect to the Designated Facility, then such excess amount shall be used to off-set subsequent interest payments due under the Designated Facility;
- (d) the Adjustment Rate and the basis on which the Adjustment is computed may be varied by the Bank from time to time at its reasonable discretion and notice of such variation will be provided to the Borrower;
- (e) the Adjustment shall immediately cease upon the Bank's receipt of notice of the Borrower's intention to redeem the Mortgage or upon termination of the Designated Facility; and
- (f) the Adjustment shall immediately cease upon any of the Borrower or any person(s) for whom they act becoming a US Person, or upon any of the Borrower's address changing to one in the United States of America.

2.3 The Bank may at its discretion decide to withdraw or discontinue the Adjustment or to change the Credit Facilities to which Condition 2.2(a) shall apply.

2.4 The Adjustment shall not be reflected on statement(s) of account relating to the Checking Account but shall be shown only in the monthly statement(s) of outstanding relating to the Designated Facility. The Adjustment for each month shall be shown in the statement(s) of outstanding for the next following month.

3.3 The Borrower shall commence monthly instalment payments at such date as the Bank may determine and notify to the Borrower.

3.4 Monthly instalment payments shall be effected by debiting the Checking Account on the date(s) due for payment, notwithstanding that such debiting shall cause the Checking Account to be overdrawn. Payment by checks or any other form will not be acceptable unless agreed to by the Bank in its reasonable discretion.

3.5 The monthly instalment is subject to revision upon change of the interest rate payable and such revision shall be notified to the Borrower.

3.6 We may, at our sole discretion, accept or refund (in whole or in part) any payment received which is in excess of a monthly instalment.

3.7 Where we reject any excess payment, we will refund the excess payment made without any interest.

3.8 Subject to Clause 3.1 above, where we accept any excess payment, we will apply the excess payment to reduce the outstanding principal amount of the Credit Facilities.

In addition, where the excess payment amounts to one or more monthly instalment(s), your next instalment due date will be pushed back by the number of monthly instalment(s) which

are covered in full by the excess payment (the "Revised Instalment Due Date") and you are not required to make any payment until the Revised Instalment Due Date.

Provided that the Bank's grant of a Second Term Loan to the Borrower shall be at the Bank's absolute discretion and is subject to the Borrower satisfying the Bank's lending guidelines prevailing from time to time. Nothing herein shall oblige the Bank to make the above reimbursement nor offer the special interest rate to the Borrower.
