Citi Ranked Top in Quality in 2018 Greenwich Asian Equities Survey

Singapore – Citi today announced that it had been named Quality Leader in Asian Equities by Greenwich Associates in their 2018 Asian Equities Survey.

Citi placed top in Asian Equity Sales Trading & Execution Service Quality, Asian Equity Electronic Trading Product & Service Quality, and Asian Equity Sales & Corporate Access Quality. It was second in Asian Equity Trading Share and Asian Equity Research/Advisory Vote Share.

“The Asian equities landscape is extremely competitive so we continue to invest in technology, research, trading and coverage to ensure clients enjoy seamless product delivery and execution. We are grateful to be recognized by Greenwich and clients in the survey,” said Richard Heyes, Asia Pacific Head of Equities.

Greenwich interviewed more than 300 investors in Asia across a range of topics including market trends and broker relationships. These investors included Asia equity fund managers, analysts and buy-side trading desks.

Through Citi's network of more than 98 countries, Citi helps provide institutional investors access to global and local markets. With trading floors in more than 80 countries, clearing and custody networks in over 60 countries and connections with 400 clearing systems, Citi maintains one of the largest global financial infrastructures and facilitates, on average, over US\$4 trillion of flows daily. In Asia Citi serves clients in Australia, New Zealand, Singapore, Indonesia, Malaysia, Thailand, Philippines, Vietnam, India, South Korea, Taiwan, China Hong Kong, Sri Lanka and Bangladesh.

Citi's Markets and Securities Services business provides world-class financial products and services as diverse as the needs of the thousands of corporations, institutions, governments and investors that Citi serves. The breadth, depth and strength of Citi's sales and trading, distribution and research capabilities span a broad range of asset classes, currencies, sectors and products, including equities, commodities, credit, futures, foreign exchange (FX), emerging markets, G10 rates, municipals, prime finance and securitized markets.

The Citi Velocity platform delivers electronic access to Citi's global footprint and real-time information, giving clients unprecedented access to capital markets intelligence and services across all product lines. Through web, mobile and trading applications, clients can find Citi research, commentary, and proprietary data and analytics; execute fast, seamless and stable foreign exchange and rates trades; and utilize Citi's suite of sophisticated, post-trade analysis tools.
