

Important Updates on Citi Cash Back, Citi PremierMiles Visa and Citi Prestige Card Design

With effect from **15 April 2019**, the Citi Cash Back*, Citi PremierMiles Visa and Citi Prestige Card will sport a new look, aligned to a unified card design for Citi cards available worldwide. The new card designs reflect the bank's modernity and bring a common brand identifier globally.

Featuring the iconic Citi arc front and centre, the semi-translucent focal point is a symbol of Citi's optimism, while the Citibank crest that nestles just below represents a nod to our 200 years of history, financial stability and security.
