

Revision to Unsecured Credit Borrowing Limit for Personal Credit Line

Please be informed that according to the Banking (Credit Card and Charge Card) Regulations 2013 and MAS Notice 635, if your aggregate outstanding balances on your personal credit cards and unsecured credit facilities with financial institutions in Singapore exceed the borrowing limit for 3 consecutive months, your credit line(s) will be suspended. The borrowing limit will be reduced from 24 times to 18 times your monthly income effective 1 June 2017. Please reduce your outstanding balances and/or update your income via www.citibank.com.sg/cji to avoid any disruption to your credit facilities.
