Your banking relationship may, from time to time, be realigned according to your Assets Under Management and the qualifying Assets Under Management for each segment. To ensure that you continue to enjoy the privileges accorded to your Citigold Private Client relationship, you will have to maintain a minimum of S\$1,500,000 in Assets Under Management with Citi, with effect from 1st June 2017.

Assets Under Management refers to the combined balances held in a customer's primary accounts including Citi checking and savings accounts, time deposits and investments. Funds credited into cash management accounts will not count towards Assets Under Management.

- (iii) all outstanding amount(s) payable on your secured loan accounts as of the date of your last statement.

Citibank reserves the right to apply this interest rate. Your interest rate will revert to the prevailing product interest rate, as soon as your account is no longer past due in the current month and no longer twice or more past due within the last six months. From 1 Feb 2019, your interest rate will revert to the prevailing product interest rate as soon as your account is no longer past due* in the current and last two months.
