

RE: Notice of Change in Citibank Singapore Limited SGD Payment Instruction

Please be informed that with effect from April 15 2019, Citibank Singapore Limited will operate under a new SWIFT Bank Identifier Code ("BIC") and Bank Code for **SGD** payment instructions. The new BIC and Bank Code are set out in the table below.

To ensure that your transactions are processed successfully, you will need to select the respective Citibank's BIC when you initiate new fund transfers from your Citibank Singapore Limited accounts and/or inter-bank payment instructions to Citibank Singapore Limited accounts. The changes are relevant to transactions involving a transfer of funds to Global Consumer Banking (Wealth management products and services, unsecured and secured products), CitiBusiness Banking accounts and Citi International Personal Bank accounts, and is applicable to all Fast and Secure Transfer (FAST), inter-bank GIRO, MAS Electronic Payment System (MEPS) and incoming SGD Telegraphic Transfers.
