The account service fee will apply at the end of each month should your Total Relationship Balance fall below S\$15,000.

The revised minimum Total Relationship Balance of S\$15,000 and the account service fee of S\$15 will be standardised across all of our banking segments, namely, Citibanking, Citi Priority, Citigold and Citigold Private Client.

Please be informed that the bank may also, from time to time, realign your banking relationship according to your Assets Under Management³ (as defined below) and the qualifying Assets Under Management for each segment.

As an example, your Citibanking relationship may be upgraded to a Citigold relationship if your Assets Under Management is greater than S\$250,000, which is the minimum Assets Under Management required to be accorded Citigold status. You will be notified by an SMS from the bank of any adjustment to your banking relationship.
