

Important updates to Citi ULTIMA Visa Golf Privileges and Cardmember's Agreement

With effect from 1 October 2023, the Citi ULTIMA website will be updated to have a new design with improved user navigation.

In addition, we will be making changes to the Citi ULTIMA Visa Golf Privileges as well as changing the terms of the Citi ULTIMA Cardmember's Agreement.

Important Changes the Citi ULTIMA Visa Golf Privileges

The changes are only applicable to Citi ULTIMA Golf Privileges in Singapore. Summary of benefits as below:

Golf Privilege (current)	Golf Privilege (from 1 October 2023 onwards)
Complimentary green fees for you and one (1) guest at participating golf clubs in Singapore	<u>Two (2)</u> complimentary green fees per quarter for your golf bookings at Sentosa Golf Club, Singapore with a minimum Qualifying Spend on S\$25,000 per quarter.

How it Works:

- You will now enjoy two (2) complimentary green fees per quarter for your golf bookings at Sentosa Golf Club, Singapore provided that a minimum Qualifying Spend of S\$25,000 is charged to your Citi ULTIMA card in the previous quarter. You will no longer need a fee-paying guest to enjoy this benefit.
- In view of the upcoming changes, your Qualifying Spend in the 3rd Quarter (1 July 2023 till 30 September 2023) will be considered to determine if the minimum spend of S\$25,000 is met for you to receive the benefit of two (2) complimentary green fees in the 4th Quarter (1 October 2023 till 31 Dec 2023). Each Qualifying Entitlement is valid for 2 quarters.

Example: Cardmember A charges S\$25,000 in Qualifying Spend in 3rd Quarter (1 Jul 2023 till 30 September 2023), the Qualifying Entitlements will be awarded only in the 4th quarter (1 October 2023 till 31 December 2023) and can be utilised for booking only up till the end of the following year's 1st Quarter (1 January 2024 till 30 March 2024).

The changes are only applied applicable to your Golf privileges in Singapore. Please note that the terms and conditions applicable to the Citi ULTIMA Golf Privileges shall be updated accordingly.
