

# CRS Self-Certification Form for Entities

## Instructions

### Please read these instructions carefully before completing this form.

Citi offices located in countries that have adopted the Common Reporting Standard (CRS) are required to collect certain information about an account holder's tax residence status. Please note that Citi may be legally required to report certain information provided in this form and other financial information with respect to your financial account(s) to the tax authorities of the country where your account is maintained. In turn, the local tax authorities may exchange the reported information with the tax authorities in the country or countries in which you the Entity is a tax resident.

Please complete this form if you represent an entity Account Holder. Do not use this form for an Account Holder that is an individual, a sole proprietor or the decedent of an estate. Instead use the "CRS self-certification Form for Individuals."

A separate form is required for each entity that is an Account Holder. For purposes of CRS, the term "Account Holder" means a legal entity listed or identified as the holder of a Financial Account maintained at Citi. This is regardless of whether such entity is a flowthrough entity for tax purposes. Thus, for example, if a trust is listed as the holder or owner of the financial account, the trust is the Account Holder, rather than the trustee, the grantors, the settlors or the beneficiaries. Similarly, if a partnership is listed as the holder or owner of the account, the partnership is the Account Holder, rather than any of the partners. A person, other than another Financial Institution, holding a Financial Account for the benefit of another person, as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account and such other person is treated as the Account Holder.

For definitions of certain other terms relevant to the completion of this form, please see the Appendix to this form.

Items marked with an asterisk (\*) indicate required information. This form is intended to request information only where such request is not prohibited by local law.

An authorized individual must sign the form on behalf of the Account Holder and indicate the capacity (officer title, director, partner or power of attorney, etc.) in which he/she is signing in Part 4.

This Form will remain valid unless there is a change in circumstances that makes this Form incorrect or incomplete. In that case, you must notify Citi within 30 days of any such change and provide us with an updated CRS Self-certification Form.

If the Account Holder is determined to be a Passive NFE or an Investment Entity located in a Non-Participating Jurisdiction and managed by another Financial Institution, please identify the natural person(s) who exercise control over the entity by name in Part 2, section 2a and provide a CRS Self-certification Form for Controlling Persons for each controlling person. This information should be provided by all Investment Entities located in a Non-Participating Jurisdiction and managed by another Financial Institution, even if they also fall into a category of "Non-Reporting Financial Institution." The CRS Self-certification Form for Controlling Persons may be completed by the Account Holder or the Controlling Person.

Please note that this self-certification form is for CRS purposes only. Its completion is not a substitute for the completion of any IRS Form W-9, Form W-8 or self-certification that may otherwise be required for FATCA or other U.S. tax purposes.

As a financial institution, Citi does not provide tax advice to its customers. If you have any questions about determining the entity's tax residence status in any particular country, please contact your tax adviser or the local tax authority. You may obtain more information about CRS, including a list of countries that have signed agreements to automatically exchange information, and local tax laws on the OECD automatic exchange of information (AEOI) portal at [www.oecd.org/tax/automatic-exchange/crsimplementation-and-assistance/](http://www.oecd.org/tax/automatic-exchange/crsimplementation-and-assistance/).

This Self-Certification may be electronically or digitally signed. The electronic signature must indicate that the form was electronically signed by a person authorized to do so (for example, with a time and date stamp and statement that the form has been electronically signed). An electronic signature is also acceptable if such signature is evidenced by an electronic or digital certificate.

## Part 2 – Entity Type\*

Please provide the Account Holder's Status by ticking one of the following boxes in section 1.

1. **(a)** Financial Institution — Investment Entity
- i. An Investment Entity located in a Non-Participating Jurisdiction and managed by another Financial Institution.   
*(Note: if ticking this box 1(a)(i), please also complete Sections 2(a) and 2(b) below for Controlling Persons)*
  - ii. Other Investment Entity
- (b)** Financial Institution — Depository Institution, Custodial Institution or Specified Insurance Company
- (c)** Active NFE - an Entity the stock of which is regularly traded on an established securities market or an Entity which is a related Entity of an Entity the stock of which is regularly traded on an established securities market
- If ticking this box(c), please provide the name of an established securities market on which the stock is regularly traded:
- 
- If you are related to a publicly traded Entity, please provide the name of the Entity whose stock is publicly traded and with which you are related:
- 
- (d)** Active NFE – a Government Entity or Central Bank
- (e)** Active NFE – an International Organisation
- (f)** Active NFE – other than (c)-(e) (See Appendix for definition of other Active NFEs)

## Part 3 – Country of Tax Residence and related Taxpayer Identification Number (TIN) or equivalent\*

Please complete the following table indicating the Account Holder's tax residence country or countries (*i.e., where the entity is treated as a resident of the country for purposes of that country's income tax*) and the Account Holder's TIN (if any) for each country indicated. If the Account Holder is tax resident in more than three countries, please use a separate sheet. If the Account Holder is not tax resident in any jurisdiction (*e.g., because it is fiscally transparent*), please provide its place of effective management or the country in which its principal office is located on line 1. **Note** - all jurisdictions of tax residence must be disclosed.

If a TIN is unavailable, please provide the appropriate reason **A**, **B** or **C** as defined below:

**Reason A** – The country where the Account Holder is liable to pay tax does not issue TINs to its residents.

**Reason B** – The Account Holder is unable to obtain a TIN or equivalent number. (If this reason is selected, please explain why the Account Holder is unable to obtain a TIN in the below table.)

**Reason C** – No TIN is required because the tax residence jurisdiction that issued the TIN does not require a Financial Institution to collect and report the TIN.

	Country of tax residence	TIN	If no TIN available, enter Reason A, B or C

## Appendix of Defined Terms

Note: The following selected definitions are provided to assist you with the completion of this form. If you have any questions about substantive tax principles, please contact your tax adviser or the applicable tax authority.

“Active NFE” — an NFE that meets any of the criteria listed below:

- (a) less than 50% of the NFE’s gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
- (b) the stock of the NFE is regularly traded on an established securities market or the NFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market;
- (c) the NFE is a Governmental Entity, an International Organization, a Central Bank, or an Entity wholly owned by one or more of the foregoing;
- (d) substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution;
- (e) the NFE is not yet operating a business and has no prior operating history, (a “start-up NFE”) but is investing capital into assets with the intent to operate a business other than that of a Financial Institution. This exception is limited to 24 months from the date of the initial organization of the NFE;
- (f) the NFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganizing with the intent to continue or recommence operations in a business other than that of a Financial Institution;
- (g) the NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution; or
- (h) the NFE meets all of the following requirements for a “non-profit NFE”:
  - (i) is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organization, business league, chamber of commerce, labor organization, agricultural or horticultural organization, civic league or an organization operated exclusively for the promotion of social welfare;
  - (ii) is exempt from income tax in its jurisdiction of residence;
  - (iii) has no shareholders or members who have a proprietary or beneficial interest in its income or assets;
  - (iv) the applicable laws of the NFE’s jurisdiction of residence or the NFE’s formation documents do not permit any income or assets of the NFE to be distributed to, or applied for the benefit of, a private person or non-charitable Entity; and
  - (v) the applicable laws of the NFE’s jurisdiction of residence or the NFE’s formation documents require that, upon the NFE’s liquidation or dissolution, all of its assets be distributed to a Governmental Entity or other non-profit organization, or escheat to the government of the NFE’s jurisdiction of residence or any political subdivision.

“Central Bank Digital Currency” — any digital Fiat Currency issued by a Central Bank.

“Control” — is generally exercised by the natural person(s) who ultimately has a controlling ownership interest (typically on the basis of a certain percentage (e.g., 25%)) in the Entity. Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person(s) is/are identified as exercising control of the Entity (for example where no underlying person has control of greater than 25% of the entity) then under the CRS the Reportable Person is deemed to be the natural person who holds the position of senior managing official.

“Controlling Person(s)” — a natural person who exercises control over an entity. Where that entity is treated as a Passive NonFinancial Entity (“Passive NFE”) then a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Jurisdiction Persons. This definition corresponds to the term “beneficial owner” of an entity as described in Recommendation 10 (and the Interpretative Note) of the Financial Action Task Force (FATF) recommendations, as adopted in February 2012. In the case of a trust, the Controlling Person(s) are the settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, regardless of whether or not any of them exercises control over the

# CRS Self-Certification Form for Entities

activities of the trust. In addition, any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership) is a Controlling Person of a trust.

“Crypto-Asset” — a digital representation of value that relies on a cryptographically secured distributed ledger or a similar technology to validate and secure transactions.

“Entity” — a legal person or a legal arrangement, such as a corporation, organization, partnership, trust or foundation. This term covers any person other than an individual (i.e., a natural person).

“Exchange Transaction” — any (1) exchange between Relevant Crypto-Assets and Fiat Currencies; and (2) exchange between one or more forms of Relevant Crypto-Assets.

“Fiat Currency” — the official currency of a jurisdiction, issued by a jurisdiction or by a jurisdiction’s designated Central Bank or monetary authority, as represented by physical banknotes or coins or by money in different digital forms, including bank reserves and Central Bank Digital Currencies. The term also includes commercial bank money and electronic money products (including Specified Electronic Money Products).

“Financial Account” — an account maintained by a Financial Institution and includes: Depository Accounts, Custodial Accounts; Equity and debt interests in certain Investment Entities, Cash Value Insurance Contracts; and Annuity Contracts.

“Financial Institution” — a Custodial Institution, a Depository Institution, an Investment Entity, or a Specified Insurance Company.

“Investment Entity” — includes two types of Entities:

- (i) an Entity that primarily conducts as a business one or more of the following activities or operations for or on behalf of a customer:
  - Trading in money market instruments (cheques, bills, certificates of deposit, derivatives, etc.); foreign exchange; exchange, interest rate and index instruments; transferable securities; or commodity futures trading;
  - Individual and collective portfolio management; or
  - Otherwise investing, administering, or managing Financial Assets, money or Relevant Crypto-Assets on behalf of other persons.

However, such activities or operations do not include rendering non-binding investment advice to a customer.

- (ii) an Entity managed by another Financial Institution is any Entity the gross income of which is primarily attributable to investing, reinvesting, or trading in Financial Assets or Relevant Crypto-Assets, where the entity is managed by another entity that is a Depository Institution, a Custodial Institution, a specified Insurance Company of an Investment Entity described in (i) above.

“Participating Jurisdiction” — A jurisdiction (i) with which an agreement is in place pursuant to which it will provide the information set out in the CRS and required for the automatic exchange of financial account information, and (ii) which is identified in a published list.

“Passive NFE” — under the CRS any: (i) NFE that is not an Active NFE; and (ii) Investment Entity located in a Non-Participating Jurisdiction and managed by another Financial Institution.

“Related Entity” — An Entity is related to another Entity if either Entity controls the other Entity or the two Entities are under common control. For this purpose, control includes direct or indirect ownership of more than 50% of the vote and value in an Entity.

“Relevant Crypto-Asset” — any Crypto-Asset that is not a Central Bank Digital Currency, a Specified Electronic Money Product or any Crypto-Asset for which the Reporting Crypto-Asset Service Provider has adequately determined that it cannot be used for payment or investment purposes.

“Reportable Account” — an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is/are a Reportable Person(s).

“Reportable Jurisdiction” — a jurisdiction (i) with which an agreement is in place pursuant to which there is an obligation to provide financial account information set forth in the CRS, and (ii) which is identified in a published list.

“Reportable Jurisdiction Person” — an Entity that is resident in a Reportable Jurisdiction(s) under the local tax laws of such country. Generally, an entity will be resident for tax purposes in a jurisdiction, if under the tax laws of that jurisdiction (including tax conventions), it pays or should be paying tax therein by reason of its domicile, residence, place of management or incorporation or any other criterion of a similar nature, and not only from sources in that jurisdiction. An Entity such as a partnership, limited liability partnership or similar legal arrangement that has no residence for tax purposes shall be treated as resident in the jurisdiction in which its place of effective management is situated. If another type of Entity certifies that it has no residence for tax purposes it should complete the CRS Self-certification stating the address of its principal office. Dual resident Entities may rely on the tiebreaker rules contained in tax conventions (if applicable) to determine their residence for tax purposes.

“Reportable Person” — is a “Reportable Jurisdiction Person”, other than:

# CRS Self-Certification Form for Entities

- an Entity the stock of which is regularly traded on one or more established securities markets;
- any Entity that is a Related Entity of an Entity described immediately above;
- a Governmental Entity;
- an International Organization;
- a Central Bank; or
- a Financial Institution (except for an Investment Entity that is not a Participating Jurisdiction Financial Institution, which is treated as a Passive NFE.)

“Resident for tax purposes” — generally means resident for tax purposes in a particular jurisdiction if, under the laws of that jurisdiction (including tax conventions), it pays or should be paying tax therein by reason of his domicile, residence, place of management or incorporation, or any other criterion of a similar nature, and not only from sources in that jurisdiction. An individual or entity may be resident for tax purposes in two or more jurisdictions. In those circumstances, all jurisdictions of residence must be declared on the CRS Self-certification. An Entity such as a partnership, limited liability partnership or similar legal arrangement that has no residence for tax purposes shall be treated as resident in the jurisdiction in which its place of effective management is situated. For additional information on tax residence, please contact your tax adviser or use the OECD AEOI Portal containing information on tax residence in Participating Jurisdictions at [www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/](http://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/).

“Specified Electronic Money Product — any product that is:

- a digital representation of a single Fiat Currency;
- issued on receipt of funds for the purpose of making payment transactions;
- represented by a claim on the issuer denominated in the same Fiat Currency;
- accepted in payment by a natural or legal person other than the issuer; and
- by virtue of regulatory requirements to which the issuer is subject, redeemable at any time and at par value for the same Fiat Currency upon request of the holder of the product.

The term “Specified Electronic Money Product” does not include a product created for the sole purpose of facilitating the transfer of funds from a customer to another person pursuant to instructions of the customer. A product is not created for the sole purpose of facilitating the transfer of funds if, in the ordinary course of business of the transferring Entity, either the funds connected with such product are held longer than 60 days after receipt of instructions to facilitate the transfer, or, if no instructions are received, the funds connected with such product are held longer than 60 days after receipt of the funds.

“Specified Insurance Company” — any Entity that is an insurance company (or the holding company of an insurance company) that issues, or is obligated to make payments with respect to, a Cash value Insurance Contract or an Annuity contract.

“TIN” — the Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Some jurisdictions do not issue a TIN. However, these jurisdictions often utilize some other high integrity number with an equivalent level of identification (a “functional equivalent”). Examples of that type of number include, for Entities, a Business/company registration code/number.
